	E-Safety
	Literacy

Individual Tutor Groups in Years 7 and 10 work with police on dangers of sexting throughout the year.

A Careers and 'Future Choices' programme is also covered during tutor time throughout the year for all students. This may include visits from guest speakers.

In addition, during tutor time, all students will be engaged in an ongoing programme which focuses upon diversity awareness with reference to the protected characteristics of the Equality Act 2010
