

PSYCHOLOGY SUMMER HOMEWORK

Using the notes from your first lesson in Psychology have a go at answering the following exam questions:

1. Describe how the Behaviourist Perspective of Psychology explains behaviour. *(2 marks)*
2. Describe how the Biological Area of Psychology explains behaviour. *(2 marks)*

You should also aim to do some reading to familiarise yourself with some of the research that is taking place in Psychology at the moment to help to give you a broader idea of the range of work that Psychologists do. The below links are a good place to start:
