To: Parents/Carers  
Year 12 Students

Dear Parent/Carer

### YEAR 12 PARENTS' EVENING

I would like to invite you to the upcoming Year 12 Parents' Evening. This will be taking place on Thursday, 30<sup>th</sup> November, 2017, with appointments available from 4.30 to 7.15 pm. Subject teachers will be attending to give you up-to-date information on your son's/daughter's progress.

I would strongly encourage you to attend, as students have now had an opportunity to 'bed in' to the Sixth Form and teachers have the results from the recent assessment week. Therefore, this evening represents an excellent opportunity to outline how well your son/daughter is progressing towards their targets.

Please don't hesitate to contact me if you have any questions about this evening.

Yours faithfully

Rob Wallace  
**Head of Sixth Form**
